

# VETERAN-CYCLE CLUB

RUN TITLE .....West Suffolk Trundle..10. DATE 22 July 2012

Notes for the attention of ALL participants. Extra notes for accompanying parent or guardian of participants under 16 years old are in paragraph 3.

- 1 It is the responsibility of the participant to ensure that the machine used is safe, roadworthy and complies with the law.
- 2 Please note that Club events may provide suggested routes to members. However, participants are responsible at all times for their own safety and, where required, following the Highway Code and the rules of the road. Even where an intended route is indicated by the event's leader, or the route varied, all participants must rely on their own judgement to determine a safe manner of riding and whether or not their cycling abilities are sufficient to ride a particular route. Participants attend Club events entirely at their own risk.
- 3 Please note that neither the Club nor the event leaders or organisers can be held responsible for the supervision of participants who are under 16 years old, and it is the accompanying parent's or guardian's responsibility to ensure that participants under 16 years old in their care are adequately supervised and have cycling abilities sufficient to ride a particular route.

I confirm that I have read, understood and agree to comply with the Notes as set out above.
